

## Left About-Turn

- Start with a piece of food in each hand, your leash in your right hand, and the dog in heel position.
- Heel forward on a slack leash.
- Using the food in your right hand, lure the dog to your right side by showing her the food and moving your right hand across the front of your body with the dog closely following the lure.
- As the dog approaches your right leg, turn left (away from the dog) and transfer the leash behind your back to your left hand.
- Using the food in your left hand, lure the dog to your left side.
- Continue moving forward as your dog comes around to your left side. The leash will be in your left hand.
- After a step or two, transfer the leash to your right hand as you continue forward.
- Give your dog the treat from your left hand.

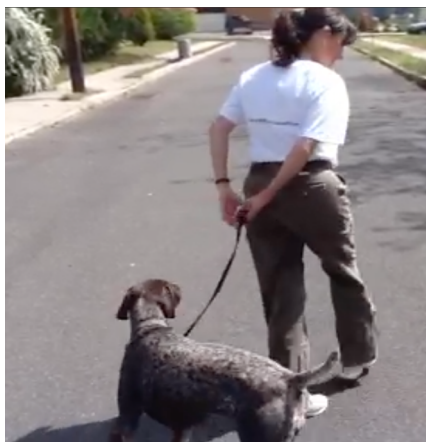

Heel forward on a slack leash

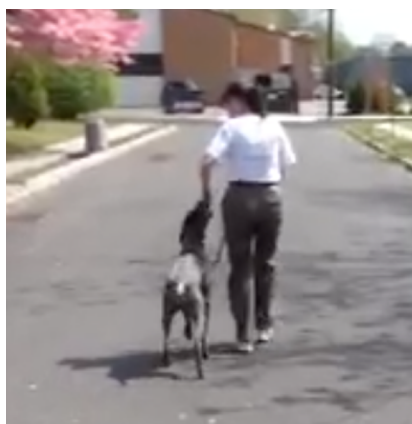

As the dog approaches your right leg, turn left (away from the dog).

Transfer the leash behind your back to your left hand

Continue moving forward as the dog comes around to your left side.

After a step or two, transfer the leash to your right hand as you continue forward. Give your dog the treat from your left hand.
